

Dear Rev. & Mrs. Owen,

We think of you often, and smile with happy memories each time we show our slides. We have some good pictures (slides) ^{back of} of you & altho we hadn't noticed the clock when we were there, it shows it was 12:10!

We will be in Washington D.C. on the first of March. We will visit the National Art Gallery and view the original painting by Van Dyck of the 4th Lord Wharton. I'll get prints if they are available & have some to bring on our next trip overseas.

I've said many times that I wished we lived around the corner from Mr. Parrott. He reminds me so much of my father who died at 97, just two years ago. And people can understand why we continue to return to England, but both Bob and I so truly love the people and the country that we, too, want to be a part of it! However, we don't expect to visit in 1984 — but then we didn't expect to make the trip in '83! We can't seem to stay away very long, so we'll think about next year. In the meantime, should you or your friends come to Ohio, please visit us! Love, Mae
