Thoughts from High Westmorland

By Rev Beverley Lock

The traditional church follows various rhythm or "Seasons" throughout the year. We have seasons of celebrations and seasons when we concentrate on being quieter and more thoughtful.

Lent is that special time, 40 days and 40 nights that lead up to the great Christian festival of Easter. Traditionally Christians have set time aside, sometimes by denying themselves food, habits or treats they enjoy to discipline themselves to be more attentive to God.

However in the last few years there have been some Christians who have felt that they wanted rather to make an extra effort to: **take things up**, rather than, **give things up** for Lent.

In Birmingham in 2006 a campaign called "Love Life Live Lent" began and since then over 250,000 people nation wide have participated. The idea is quite simple: to perform simple, often small, acts of kindness every day; as a very positive way to mark Lent. The campaign produces booklets and other resources to suggest ways this can be done and

many have found them helpful. It is about making a conscious effort to make the world a better place.

The two approaches both require us to think less about ourselves and to turn our attention to "the other". Less bound up with our own creature comforts and more an attempt to look outward; to find God in Word and Spirit and to serve God in our fellow man.

In this area there will be various special events during Lent. In Tebay and Ravenstonedale Parishes there are studies using the York Courses, "When I survey..." details are elsewhere in the Link. In Orton there are devotional services based on the "I am" sayings of Jesus at the church on Wednesday evenings.

I hope that whatever these next few weeks mean to you and whatever way you choose to mark them, that this time may be a special Lent for you.

With all good wishes,

Beverley Lock.

Children in Church.

I was asked recently about which services are the best ones to bring young children to. The answer I want to give is “everyone.” Children in church are a real joy and we are happy to see them at every service. We don’t expect them to be invisible, we are just glad to see them anytime.

However we are a family and just as in any family there has to be a balance between different interests. As in a family playing cartoon computer games may be of more interest to one age than an other (there are always exceptions) so in church we gear some services to a more specific age range.

On some Sundays our church services include special activities laid on with a view to teaching the children and others where the emphasis is on rituals and language that speak to adults brought up with more traditional services.

We try to have a range of services available over the three churches every week. Consequently on the first Sunday of the month there is a straight forward Holy Communion at Orton, a more relaxed afternoon service of “Songs of Praise” at Tebay and a Morning Prayer service at Ravenstonedale.

On the second Sunday of the month we are have a traditional said Holy Communion Service at 8.30am at Orton. This follows the tradition that many will remember from childhood. Meanwhile Ravenstondale have that kind of service without music bi monthly with a livelier Holy Communion on the alternative months and as of May that will be at the later time of 10.00am. This has been requested to allow

those who find the 9.15 time a little early. At Tebay on the second Sunday we have an activity based service for young families 2@4 with multimedia presentations for worship with lively songs and lots of actions, followed by tea.

The third Sunday is Morning Prayer at Ravenstonedale, Holy Communion at Tebay and a Family Service at Orton, again from May this will be a little later to make it easier for Families to attend.

The forth Sunday has an evening service at 6.30pm at Ravenstondale alternately the traditional Evensong and Holy Communion, a Morning Prayer at Orton and Holy Communion at Tebay. Fifth Sundays are usually joint services.

Something for everyone? Well we hope so. This is a pattern that does change of course with special festivals and events and we are also delighted to have the opportunity for shared services with our Methodist brothers and sisters from time to time. We hope that whatever your tradition or none that you will always feel welcome whether you are 9 months or 90 years and that you will find something to take away with you to help you on your journey.

Beverley Lock.

Notes from The Herald, March 1910

Weather cold 2nd and 4th weeks, otherwise dull. Easter was 27th March.
Orton and Tebay Girls’ Friendly Society Branch’s Sale of Work run by Miss Goodwin of Orton Hall and held in the Tebay Parochial Institute on 3rd, went well. It was in aid of the Churchyard Extension Fund, needed

due to rock so near the surface of the present one (presumably this is Tebay).
Railway Temperance Union Concert (Tebay Branch) was on Sat 26th February in the Station’s large waiting room. Tebay Conservative Club AGM was on Sat 12th - the club is thriving.
Tebay Mart has a Special Sale of Cattle and Sheep on Wed. 30th. A letter published from “Modesty”, Tebay, 26th March on why few now want Cumbrian butter - it’s present makers’ bowls aren’t clean enough so it tastes odd! Tebay Primitive Methodist Christian Endeavour Society AGM was on 12th - has more members now. A letter published from the Rev. R.W.A. Ecroyd, Vicar of Tebay -
“No broadmindedness is worth a button if maintained by sacrifice of principle”
Married at Tebay Church on 2nd: William Taylor, Howe Nook, Orton to Elizabeth Airey, Low Greenholme, Tebay. No deaths in Tebay this month.
Ravenstonedale’s Band of Hope held it’s annual concert on 25th Feb ruary in the Endowed School. The Vicar was in the Chair. The weather was fine and a vast crowd attended making £6.6.0 - (£250 in present money). Fell End (Ravenstonedale) Band of Hope concert was on 4th March, led by Miss Clark. A lot attended.
Newbiggin School still needs a teacher with certificate (£75/£85 per annum) Died at Weasdale on 6th: Jane Udale age not stated
Penrith food prices on 22nd March - Flour per stone, 1s9d/1s11d, Oatmeal, 1s9d/1s10d, Butter, 1s2d 1lb, Eggs, 13 -14 for 1s, Meat, 71/2d lb average, Cod 6d lb.

Jokes:
Pompous Cleric: Why do people call me a Christian?
Boy: Because they don’t know you!
Woman to ex-convict at door: What were you in prison for?
Reply: Robbing the guests in a hotel.
Woman: As owner or head waiter?

Thank you Jeremy Godwin for the notes.

A thought from Tebay

Elizabeth Crossley

After the weeks of snow and ice it was so nice to see the snowdrops peeping up around the church and graveyard. We are now seeing them in the verges along our lanes, but no sight as yet of any daffodils coming through. We seem to be missing the snow and ice this time which the east coast is experiencing and with the sun and blue skies at present it almost seems as if spring is on the horizon. I hope that I am not jumping the gun over my prediction of spring.

By the time you read this I hope most of you will have been to one of the meetings run by natural England at which they have explained why they are proposing to extend both the Yorkshire Dales National Park and also the Lake District National Park. All of our three parishes will have been involved with this decision. Both Orton and Ravenstonedale Parishes have been given the choice of which National Park to vote for but at the moment Tebay Parish had been excluded from both National Parks, resulting in Tebay becoming an island surrounded by two large parks. The consultation document talks about Tebay as having "a considerable amount of transport infrastructure, a motorway junction and industrial development which all affect the quality of the landscape around Tebay." Tebay was built up around the railways - a junction where the north eastern line to the coalfields of Durham and the north east divided off from the main north western line from London to Glasgow. In Tebay we have one of the few Victorian railway churches in the country - the colour of the brickwork inside the church matching the colours of station interiors of the north western railways, the shape of the pews - copied from the seating in the station waiting room at Tebay (even if we do trip over in getting in and out of the pews!) and the locomotive wheel replica on top of the font. That is one of the reasons why we are trying to develop a permanent railway exhibition at the back of the church. The document talks about the industrial development in Tebay - this is minute compared with other industrial developments and I am sure other areas in other National Parks have one or two of these very small units. Tebay has a lot of cultural and social heritage which would benefit from becoming a part of a National Park and therefore have access

to the various grants which are available. National Parks build more low cost housing with local occupancy than County and local councils. Their planning officers have more time to give for advice than our present local planning officers. Whichever way is decided for us we will have more access to financial grants than we have at present. However it is up to each one of us to fill in the response form and post back in the envelop provided or to respond via the internet by 17 March 2010. If anyone does not have a paper copy please contact me and I can provide them with one (24311). In a way this is like voting in a general election - as a responsible citizen we ought to vote/respond - if we don't then we can hardly grumble when the result is published.

On Friday 5 March is the Women's World Day of Prayer - this year being held at Tebay Methodist church at 2pm. The theme of the service is 'Let Everything That Has breath Praise God' and has been prepared by the Christian women of Cameroon.. I hope those of you who are at home during the day will be able to attend.

On Sunday 7 March at 3pm is the Songs of Praise service. The organist will be Mr Allan who is organist at Bolton Abbey. He will also give a short recitals during the service. I hope many of you will be able to come.

Saturday 6th
March 2010

* * * * *

Meet at Orton Primary School at 1pm (DON'T BE LATE)

* * * * *

Any one can take part (parents, grandparents, aunts, uncles, brothers, sisters, friends etc), everyone will be very welcome, you can either get sponsors (forms are available in the Post Office, from the school office or Deborah Potter) or you can make a donation on the day.

All the money raised from the walk will go towards the Years 3 & 4 residential trip to Langdale in late March.

Please note that as a lot of the walk is over rough grassland we would recommend that you don't take very young children unless you are prepared to carry them, as the terrain is unsuitable for pushchairs.

Afterwards there will be well deserved tea and cakes in the school

If you are wishing to take part in the walk can you please leave your name with Paula Coward in the Post Office or see Deborah Potter/Susan Thorpe

Tebay Community Primary School News

Bring and Buy Sale For Haiti.

On Friday the 29th of January, Tebay Primary School organised a Bring and Buy sale to donate as much money as we could to Haiti, which had suffered a terrible experience of an earthquake. The School Council felt that we should do something to support Haiti and the two Year 6 who were "chair" and "secretary" took on the mission to get the bring and buy sale up and running! We raised £162.42. We had a good day and didn't expect to raise that much!

We had a table for 10p items, a table for 30p items, a table for 50p items and a table for £1 items. But to set the scene and introduce what it was all about, we showed a Power Point devised and presented by Russell Hunter. The images were thought provoking.

I am proud of the fact that two year 6's organised this sale to get as much money as they could.
Adele Graham

Girls football team at the Sand Centre

Some of The Y5 and Y6 girls went to Carlisle to the Sand Centre to play in the Girls Football Tournament. This recount is by Nikki Keir and Ceiva Eady:

When we got there we went to the chairs and we watched a couple of matches before we actually went and played... which was pretty good because we could get used to the "set up" before we actually played. When we were watching the girls from other teams were awesome football players! However the people we thought were good... we actually WON in our first match! The score was 2-0 to us. We played four matches and got through to the ¼ finals...but then lost! It was an awesome experience and thank you to the parents and special team manager!

Alex the Artist is back!

Alex Jakob-Whitworth, artist, has been back in school working with the Y1+2 children on a printing project. The work created is imaginative and beautiful.

Chinese New Year

The children in Stepping Stones have been busy creating biscuits, lanterns, hats and dragons ready for the Chinese New Year celebrations!

Victorian Crafts

With the enthusiastic tuition of some members of the History Society, the Y5+6 children have just started knitting, rag rug making and cross-stitch. The atmosphere is lovely as they beaver away with their creative skills! Children have also been taught a skilled card making, melted wax picture making and sugar crafts...by a local craft enthusiast and nana to one of the children!

Tag Rugby

A group of 18 children from Y4,5 and 6 have been giving up the whole of their Friday lunch time to attend a Rugby Club with Shelley the coach. We've practised skills and tried out the game. Good fun! We hope to attend a tournament at the end of March!

Reported by: George Meadowcroft and Scott Riley

Boys Football Tournament

The Y5+6 boys also went to the Sands Centre for the Small School's tournament. A goal was scored in the first minute of the first game and in the last half...exciting stuff! However the boys did not win their group. Nevertheless it was an enjoyable afternoon and a great experience! Why do children play well at 6pm after a chat and some chips?!

Dick Whittington

M and M productions showed a version of "Dick Whittington and his cat" at Orton Market Hall. Orton and Tebay schools made up the audience! It was a lively, loud production which held every ones attention...especially when a few Y6 children had their shoes sniffed!
Megan Campbell

Hunter Hall Cross Country

Six children went to the Cross Country Race, organised by Hunter Hall. A Year 4 boy managed to come 14/70 and a Y5 came 10/70... which is an impressive achievement. The children were amazed at the hills they ran but enjoyed the experience!

Orton

Dear Residents.

Since the full adoption of the Licensing act 2003 in the year 2005, the Market hall has been licensed for the sale of alcohol during the hours of the Farmers Markets and only for stalls inside the building. The sale of alcohol at any other events has not been permitted unless a Temporary event notice has applied for with Eden District Council at a not inconsiderable cost to the applicant. The Market Hall can only have a limited numbers of such notices granted in any 12 month period.

It has also stopped the sale of wine at such events as the Harvest Supper, Charity Ceildhs, fundraising events and the inclusion of alcoholic prizes in raffles.

The Farmers Market have requested that the licence be broadened to include the possible sale of alcohol on stalls outside the building and the Market Hall Trustees have decided to vary the hours on the licence to allow them to offer a greater flexibility for hall users.

The Market Hall Trustees would like to reassure all residents that this is not going to alter the number or type of events taking place in the Market Hall, nor lead to later finishes or increased noise at night. As required by the Licensing Act all events must be supervised by a Personal Licence holder and the Premises Supervisor. All events will be closely monitored by the Market Hall Trustees.

We appreciate your continued co-operation and support.

Orton Market Hall Trustees.

Tuppence a litre

Readers may like to know that there is an online petition we can sign, asking the Chancellor to reduce the present duty on fuel. This was raised by 2p a litre in January 2009, in order to compensate for the revenue's loss when VAT was put down to 15%. Now that VAT is going back up to 17.5%, it seems only right that the fuel duty should come down again. The website is <http://petitions.number10.gov.uk/DutyReduction>.

Benches for Orton

The Orton Manor Court Committee has decided (as suggested at the last AGM) to provide some more benches around the village. The model decided upon is made of 100% recycled plastic, which is an extremely durable, low-maintenance bench. It is 1.8m - which in old money is just under 6 feet long!

It is felt that some residents, or groups of residents, might like to donate such a bench, perhaps in memory of a loved one or to mark thankfulness for some anniversary. An engraved plaque can of course be fastened to the bench for this purpose. The cost of the basic bench is £265.00; the plaque will be extra. If anyone would like to sponsor a bench in this way or to know more, please contact Christopher Jenkin (OMC Minutes Secretary) - 015396 24410: email chriscjenkin@aol.com.

School council-Hats for Haiti.

On Friday the 5th, we had a Hats for Haiti day. We wore non-School uniform, because there has been an earthquake, and a lot of children have lost their parents. We have a big box of gifts waiting to be sent to Haiti for people. We are also wore some funny hats. We had three stalls, one stall was Teddies, and the other was Books and then Cd's. The

Aqua box

The Aqua box is a box which people put tools, toys, clothing, things for a baby and general useful thins in. The Aqua box goes to Haiti because there has been an earthquake there. I think the boxes get there by ship or plane. I put in a bucket and 2 soft toys.

BOOMDANG

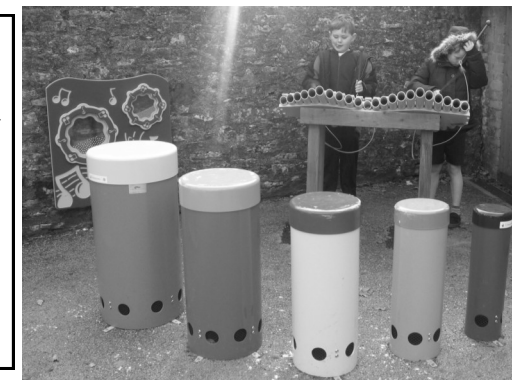

On Wednesday 3rd February a brilliant band came in called BOOM-DANG. These are the people in BOOMDANG—Dan, Kim,T and Shelley. We got split up into Class1 and Class 2. Class 2 went upstairs first with Dan and Shelley and did some dancing while Class 1 were doing music downstairs. Upstairs Class 2 were making up some really weird dances. Then after playtime we swopped over and class 2 were then downstairs making up songs on instruments. Then Class 1 came down and watched Class 2 perform on the drums, cow bells and rimskins. Class 1 really enjoyed it and here is what Hollie said. “ Brilliant and good, ACE.”

We all enjoyed the morning and hope we will see them again soon. Jessica Cutts

Mime artist-Eduardo

On Thursday there was a mime artist who came to do some miming and athletics. We all had a great laugh at him, and loads of fun. He wore cool clothes, and told funny jokes. These are the people, who did some dances, and other things; Laura, Carla, Dominic, Jack, Kian and Lilly. He can do the splits and can do a backwards flip, He's very good at athletics. He made some balloons to give to people who helped him. Leah Boustead.

Playground equipment
There is a train, a house and some stepping stones made of wood. The toadstools are made of rubber and some musical instruments which are made of plastic.

New playground equipment

The School Council chose some playground equipment for our school. We have ordered a playhouse, train, stepping stones, 3 toadstools and some musical instruments. We are making so much noise with them. We are so happy we could buy them to go in the playground.

Orton Manor Court

Abridged Minutes of a meeting of the Committee, held at 7.30 p.m. on Monday 1st February 2010.

Present: Jane Arckless, Mac Coates, Judy Dunford, Wendy Higgins (Steward), Jackie Huck, Christopher Jenkin, Dave Smith, Sandra Ward, Lanty Wharton. Dave Smith chaired the meeting.

Apologies: Kyle Blue, Allan Mawson.

Minutes: The Minutes of the meeting held on 7th September 2009 were agreed and signed.

Matters Arising from the Minutes:

Land in front of the Tea Room: Judy will remind Paul to look into whether Christine Evans has registered ownership of this with Land Registry.

Christopher will treat the Hearse House tree stumps with Roundup. Judy has sent OMC items to Stan Frost for the Orton website (www.orton.gov.uk)

Land Registration: Kent sent off all the documents, and then answered some subsequent queries. No further queries or objections have been received; a fee of £40 has been requested so that an Inspector can visit; there is no timescale known for this or further decisions. The total cost of registration of all the parcels of land (not including the verges) is about £400.

Toilets:

Eden District Council has sent a bill for £700.00 to the Parish Council as a Business Rate. This evoked strong reactions! If the Market Hall Trustees take over the toilets as an integral and necessary part of the Hall, as a Charity it will not be liable for rates. Kate Blue suggests a Licence (not a lease) between OMC and the Parish Council. Further details must be obtained from Chris Elphick.

A cheque for £12,000 has been received from EDC.

Lynn Potter is now responsible for cleaning, opening and closing the toilets.

Benches: If OMC buys benches through the Parish Council, VAT is recoverable and they will be covered by the PC's Public Liability Insurance. It was agreed that the recycled plastic benches from Green-Tech (1.8m; £265.00 each) are suitable. Christopher will ask about plaques and anchorages for a concrete base. Eddie and Jackie Huck will sponsor one in memory of Robbie, near Harper's Bridge (replacing the old metal one). Christopher will ask Chris Elphick to order two benches, the second to be paid for by OMC. He will write an article for Link inviting further sponsors. Other possible sites are (a) near the stocks, (b) on the grass triangle near the shelter, and perhaps (c) on the grass at West End – residents should be consulted. Benches should be anchored to a full-length concrete slab (paid for by OMC).

Any Other Business

Jane pointed out that the beck behind the shelter needs clearing; also the stretch near Orton Hall. Mac will approach Joe Wharton (owner of adjoining land), and he and Lanty will undertake necessary clearing work.

Howes Quarry: the public footpath there is a mire and needs draining.

Chris Elphick will be asked if the Parish Council can do that.

The Scarecrows Committee has asked if OMC can donate £50 for prizes: agreed. Judy will print posters for the competition.

Concern was expressed about the derelict car on the Square. Wendy will very tactfully approach the owner to remove it.

lovely to see family groups

following their map around the
Scarecrows, I'm sure they go
back with many happy memories.

This years theme is 'Films' Think

Tebay and Orton Local History Society.

Tebay and Orton History Society meeting was held in Tebay chapel on 18th January. Members stood in memory of Francis Higgins who was the Society's first treasurer.

Chairman, Bernard Thornborrow outlined a list of coming meetings, and said it had been agreed to hold an exhibition in Orton Market Hall on Saturday 29th May. He was pleased to announce that the membership fees could be held at £5, and a summer outing to Hadrian's Wall is being arranged by Programme Secretary, Wendy Higgins. Mary Jenkins will be preparing a news-sheet which will give a resume of the first five years of the Society, and looking ahead to December, a quiz based on 'Christmas in Bygone Times' will be arranged.

Speaker for the evening was Joseph Jackson, making a welcome return visit. Joseph, an archaeologist, who has made a special study of Roman Britain was dressed as an auxiliary soldier known as limitanii, in the latter days of the Roman occupation. At this time Rome was gradually loosing both power and wealth, and it never recovered from the defeat of its armies by the Goths in AD 378. Joseph explained that warfare had changed in this period, cavalry becoming more important. Horses and riders were fully covered in armour, the horses being the ancestors of today's sturdy fell ponies.

The limitanii, had virtually no uniform or armour, only a ridge helmet, and belt, under which was worn basic woollen garments. Weapons were usually passed down from father to son, and consisted of a Roman long sword, a long spear an angon, and a shield.

The Roman fort at Low Borrowbridge, Tebay was very important, being the gateway to the Roman Empire, and the end of the military zone, which lay from there north to Hadrian's Wall.

In 410, the Roman's officially ended their occupation, but many of the soldiers who had now lived in Britain for generations and formed family units, stayed. From this time over a number of years, local military commanders gradually became local war lords. Leading to the Dark Ages of the Kingdom's of Britain. These Kingdom's, especially Reghed thrived and became very powerful.

There is no archaeological evidence of great upheaval in the north, over this period, so perhaps the 'Dark Ages' were not as dark as they were painted. Joseph pointed out that modern Britain, can trace much of it's roots in housing, roads etc. back to the Romans.

He also said it was quite possible that the legends of King Arthur were based on a real man, who was could have been descended from a Roman Cavalry Officer, in the Carlisle area.

To finish his talk Joseph spoke of The Great Shap Skeleton Mystery. Part of a male skeleton was found under Shap Chapel in 2008 during excavations. The bones had been buried without a casket, and were in a place where there should have been no graves. After carbon dating it was finally believed to be the remains of a Jacobite from the 1715 rebellion, who possibly died of wounds on the retreat north, and was hurriedly buried by his friends.

Joseph was thanked by the Chairman for an excellent and interesting talk. The evening finished with refreshments.

ALL SAINTS' CHURCH, ORTON

THE ANNUAL CHURCH EXHIBITION 29th 30th and 31st May

Yes, it is nearly that time of year again when the Church mounts its annual exhibition to coincide with the villager scarecrow competition.

This year the film industry in Hollywood is celebrating 100 years. To celebrate with them the theme chosen for both events is:

FILMS

Everyone is invited to display an exhibit depicting a film.

It can be old or new, perhaps the particular film you choose holds happy memories for you, or is a tear tugger that you cannot forget.

Somewhere in your loft there may be a bowler hat and a little walking stick - let us not forget those silent oldies. Then there are those films we see every Christmas such as the African Queen - root out that old boat. The Great Escape - we might even have an escape tunnel in church. Is the Railway Children a special for you?

The modern films are wonderful - Harry Potter, Happy Feet, Babe, Jurassic Park, Lord of the Rings -the list of films seems endless and the ideas will already be tumbling around in your head.

If you would like to take part or help in any way please get in touch .
